Purpose Driven Enrollment

Purpose Driven Enrollment is the framework by which all admissions decisions are made at Portland Christian Schools. Families who resonate with these ideas will be considered for enrollment.

1. *Transformation Centered*

In Romans 12:2 Christians are urged to not conform to the world but to be transformed. Portland Christian's mission is to educate students in the truth of God's word in every area of instruction and activity, so that their lives may be transformed by the renewing of their minds.

2. *Biblical Values Oriented*

Portland Christian will seek to bolster the work of the family, unapologetically support the Bible's teaching on marriage, and emphasize Biblical values (integrity, hard work, responsibility, compassion, etc.).

3. *Future Focused*

Students at Portland Christian will pursue the highest levels of excellence as they prepare for college and discern their path forward in life – whether that leads to higher education, a career, service, ministry – or elsewhere.

4. *Servant Leadership Based*

Portland Christian is committed to producing the next generation of Christian servant-leaders who choose service before self, wisdom beyond scholarship, character before career, and participation as a way of life.
